RE: Grant of Creative Commons Attribution (CC-BY) License of “AFNI Software” to the National Institutes of Health

Dear Drs. Taylor and Amara,

This is to notify you that for all segments of AFNI (Analysis of Functional NeuroImages) code copyrighted by the Medical College of Wisconsin, the Medical College of Wisconsin hereby grants to the National Institutes of Health a Creative Commons Attribution International License (CC-BY) license for said code. This license is effective as of the date of signing.

Respectfully,

Ann B. Nattinger, MD, MPH, MACP
